27th March 2020

Dear parents and carers,

Academy Closure

Astrea Academy Sheffield will close to all pupils and staff from today, Friday 27th March 2020.

The emergency childcare provision for children of key workers will be moved to **Byron Wood Academy, 85 Earldom Road, Sheffield, S4 7EA** from Monday 30th March. This provision is fully staffed.

Parents who are identified as being key workers and who are required to attend their place of work, can access the provision between on a daily basis (Monday to Friday). Children will be provided with lunch each day. The booking process is the same as outlined earlier this week – parents should send a text to the usual number or an email to info@astreasheffield.org, and a member of staff will call you to discuss requirements.

Astrea Academy Sheffield staff are continuing to monitor the email and the text service, so please do contact for any other reason in this way.

Free School Meals

Parents of children who are entitled to receive a free school meal will recently have received a text message earlier this week that includes a link to a food voucher to be used in selected supermarkets. This voucher is intended to support families over the coming weeks. Please do not lose the voucher as they cannot be replaced or refunded.

These vouchers are intended to be spent on food within a very short window (i.e. days/weeks). Currently the supermarkets accepting the vouchers are ASDA, Morrison's, Tesco & Sainsbury's.

Home Learning Resources

Teachers have planned various activities which can be found in the home learning section on the academy website, as well as packs being sent home last week. We will be contacting you with an update of further learning materials on Wednesday 14th April.

These continue to be very uncertain and unsettling times for everyone. Please be assured that parents will be updated on any developments, including details on when the academy will next be open.

Yours sincerely,

Kim Wilson | **Executive Principal**
