Dinosaur Stomp

<https://www.youtube.com/watch?v=lmhi98dHa5w>

3. Practise getting dressed yourself! Allow your child to dress independently, this is a way for your child to practise their independence.
4. Try going to the toilet independently! (Try to encourage your child to have a go at wiping their own bottoms).

Date to start: 29th June 2020

5. Practise wiping their own nose and washing their hands.

Numbers	Shape
<p>1. Numbers Sing 10 green bottles together you can find the song by following this link. https://www.youtube.com/watch?v=T0ooQv7oHvw</p> <p>Write out numbers 1-10. Cut them out and let your child have a go at putting them in the right order. Work on recognising the numbers. You could also have a go at writing some of the numbers.</p> <p>2. Maths hunt: Have a look around your house for the following things:</p> <p>Something round Something square The number 5 The number 3 Something taller than you Something smaller than you</p>	<p>3. Measuring Using a ruler or a piece of string could you have a go at measuring some objects at home? Is it longer than your string or shorter? You could also use your hands; how many hands long is it? You could use your feet or your shoe!</p> <p>4. Paint or draw shapes, name them as you do it. Talk about them eg 3 sides, 3 corners etc. Look around your home for shapes and name them. Create patterns of colour or shape e.g Red, Blue, Red or Circle, Square, Circle.</p>

Date to start: 29th June 2020

Something you could go under
Something you could measure.

Extra-curricular tasks

1. Make a musical instrument.
Here are some ideas below.

2. Go on a scavenger hunt, below is a sheet you could take with you.

3. Can you make your own Superworm using old socks?

Find some old socks and stuff them inside the other, tie the sock at the end and you could draw on some eyes and a mouth.

You could take your Superworm out on adventures and see if there are any bugs around who might need any help!

For example:

If you see a tired bee you could give it some sugary water or if you see a snail that might get stood on, move it to a safe place!

We would love to see photos. You can send them to us on twitter! Astrea_PP

Date to start: 29th June 2020

4. Make a transient art picture. Collect natural materials during your walk, bring them home and turn them into a picture. You can take photos of it and then make another one! You could even make up a story to go with your pictures, whoever is helping you at home could write it down for you and maybe you could write some of the letters you know!

Date to start: 29th June 2020

How can I let my teacher know how I am getting on? How can I ask any questions if I am unsure?

You can message me or tweet me on twitter **Pre-Prep/Prep@AstreaAcademySheffield** please feel to send pictures of your work or activities. I hope you enjoy doing the tasks I have set out above but just remember do these at your own pace! Take care and I hope to see you all soon! 😊
